# The Value of Choosing The Peralta Colleges

- ✓ Lower prices offer a more cost effective education.
- ✓ Admission to a community college is easier and faster than for a university.
- ✓ Small class sizes means more personal contact with instructors.
- ✓ The opportunity to explore majors while completing the general education classes that form the first two years of a Bachelors Degree.
- ✓ Peralta Colleges offer hands-on experience and goal-specific classes that are taught by award-winning faculty and real-world industry leaders.
- ✓ Over 2,000 sections offered in numerous subject areas. Some online courses are also available.
